PRODUCT INFORMATION SHEET

Eco Paper Strapping

RECYCLABLE STRAPPING

From paper, back to paper. This strong, fully recyclable strap is designed as a practical replacement for conventional plastic strapping.

Key advantages

- Paper-based construction
- Fully recyclable with paper and cardboard
- High tensile strength
- Easy to fold and handle
- Designed for long-term sustainability

Indicative specifications

Parameter	Break strength	Joint strength	Core / outer diameter
0.8 mm × 10 mm × 1600 m	350 N	350 N	200 / 420 mm
0.8 mm × 12 mm × 1300 m	700 N	500 N	200 / 420 mm
1.0 mm × 15 mm × 1000 m	900 N	600 N	200 / 420 mm

Pair with the MK60s semi-automatic strapping machine for a recyclable bundling workflow.
